

How to get your money to us

Thank you so much for supporting The Lily Foundation. The following are methods of getting the money you are raising to us.

Just Giving and Virgin Money Giving

We recommend setting up sponsorship pages via www.justgiving.com or www.virginmoneygiving.com. The most successful pages are those which include some explanation of the event that you are undertaking and why you have chosen to support The Lily Foundation and include a photograph. If you log onto www.justgiving.com/lilyfoundation you will see examples of current live pages. Any money collected via an online sponsorship page will be paid directly into The Lily Foundation bank account.

Just Text Giving

Once you have set up a JustGiving page, a JustTextGiving code can be generated which you can use as another way for people to easily add to your fundraising by texting from their mobile phones. Some useful information and answers to frequently asked questions can be found at www.justgiving.com/justtextgiving. Again any money raised will be paid directly to The Lily Foundation.

Sponsorship Forms

If you have been collecting money via a sponsorship form, you will notice that there is a gift aid column. Gift aid is a benefit that the government pays to charities on funds that have been personally donated to a charity. The government currently pays 25p on every £1.00 donated. Therefore every £10.00 that is donated becomes £12.50. As you can imagine this really does add up! In order for us to claim, the donor must fill out their FULL HOME address and POST CODE and tick the gift aid box. The donation cannot be a company donation and the donor must be a UK taxpayer. You will need to send these forms to us once you have finished collecting sponsorship.

Cash and BACS Payments

We do not recommend that you send any amount of cash through the post. The safest way to pay us the cash you have collected is via the bank or by sending us a cheque.

If you are depositing into The Lily Foundation bank account please reference the payment with your name.

Account Name: The Lily Foundation
Account No: 30691038
Sort Code: 20-79-73
Branch: Southend on Sea

Alternatively you can send a cheque made payable to "The Lily Foundation" to 31 Warren Park, Warlingham, Surrey, CR6 9LD.
